Celebrating 102 Years of Fun!

Resident, Mary Lou White celebrated her 102nd birthday on March 12th!  
Born Mary Louise Redmon on March 12, 1919 in Webb City, Missouri. She and her younger sister, Betty, grew up in Webb City and later in Joplin, Missouri. From there, Mary Lou went to college at Middle Tennessee State Teachers College where she majored in English. It was there she met her future husband, John J. White. After two years, Mary Lou transferred to Western Kentucky State Teachers College in Bowling Green, KY, where she continued her studies and was a cheerleader. After graduation, she took a job teaching English in the high school in Sale City, GA. In 1942, Mary Lou and John J. married in Sale City while he was on leave from the Army. They had 3 children, lived in TN, WV, MD and OH. Mary Lou had a long career teaching sixth grade, her favorite, and after retirement, several years teaching nursery school. She is greatly loved by her 7 grandchildren, great grandchildren and great-great grandchildren. Mary Lou is quite involved in most all of the activities at McDowell Place. She is a member of the drama group, loves our new exercise/drumming group, any musical group offered, and gets involved in any games or fun that's going on.
