The COVID-19 pandemic has been an enormous, unprecedented challenge. But it has also brought together assisted living residents, staff, and everyone in these communities in a way unlike before. National Assisted Living Week (NALW) provides a unique opportunity for residents, their loved ones, staff, volunteers, and local communities to recognize the role of assisted living in caring for America's seniors and individuals with disabilities. The annual observance encourages assisted living communities around the country to offer a variety of events and activities to celebrate the individuals they serve. This year's NALW theme, "Compassion, Community, Caring" honors those resilient individuals who worked so hard, went above and beyond, and never gave up.

We have several fun activities planned for the week, here are a few highlights: Performances by Young at Heart Big Band and DanCEville student ballroom competitive dancers. We will also be going out for ice cream, taking a garden tour of Kirby Farms, playing Bus Ride Bingo, raffle drawings and many other fun activities. Join us this week to celebrate!
